

THIS CHAMTER PLAYS ON THE PHRASE THE CUSTOMER IS 600", AN EXPRESSION TO DESCRIBE THE ETHOS OF CUSTOMER SERVICE IN JAXIN. VIZU SPEAKS VERY POLITELY AND PROPERLY, BUT THE OTHER CHARACTERS SPEAK CASUALLY, WHICH MAYBE SUSSESTS THEY CANT SEE THE MARGATORP.

TOANSI ATION NOTES:

THE LAST PAGE IS SLIGHTLY POETIC AND OLO-PASHIONED SOUNDING JAPANESE, IT'S A BIT ABSTRUSE FOR ME, SO I CAN'T SINE MUCH INSIGHT INTO THE STYLE OF MEANING.

Konohana Ki
